Just inland from the secluded harbour of Saldanha Bay one finds the azure waters of the **Langebaan** Lagoon, focal point of the West Coast National Park. Thousands of seabirds roost on sheltered islands, pristine golden beaches stretch endlessly into the early morning mist and brooding salt marshes are home to vast concentrations of migrant waders from the northern hemisphere. During the course of the afternoon the journey continues via **Piketberg** to **Vredendal**.

The bulbs generally start flowering after the first rains during March/April. The incidence increases to peak during July through to October, depending on weather conditions.

DAY 4 THURSDAY VREDENDAL- CAPE TOWN

This morning you depart Vredendal and travel to **Clanwilliam** and the **Ramskop Wild Flower Garden**.
